What our students say...

“ I work as a Software Engineer at Google, Hyderabad. I am really grateful for the learnings and opportunities I got from the college and faculty members during my stint here. I did not even dreamt about it. Even later for the longest time I thought that I was aiming for too big. ”

Archy Gupta (Batch - 2017)
Software Engineer
Google, Hyderabad, India

“ Throughout my college years, I've been on an incredible journey of self-discovery and growth. The dynamic blend of academics and extracurricular activities has provided me with a well-rounded education. Their open-door policy and willingness to engage in discussions beyond the classroom have nurtured a sense of curiosity within me. From their guidance, I've not only gained academic insights but also learned life lessons that extend far beyond textbooks. ”

Tanvi Zehra (Batch - 2024)
Paloalto Networks, India

“ I completed my Mechanical Engineering degree from Technocrats Institute of Technology (Excellence) During my time at the college, I received tremendous support from the department in launching and leading a team dedicated to vehicle and aerospace modeling. Our team competed at the national level, securing positions. My experience with these projects provided me with a deep understanding of the industry's current skill set requirements. Today, I am applying this knowledge in my role as a Manufacturing Engineer at Boeing. ”

Damini Dubey (Batch - 2017)
Manufacturing Engineer
Boeing, Bengaluru, India

What our students say...

“TIT Group is the opportunity to seek knowledge and experience. It has made me learn things very fast that I thought would take numerous years to grasp. I have become a complete up-to-date package due to the enhanced learning process. Today I can proudly say that I graduated understanding theoretical concepts, able to apply them, and ready to enter the professional world.”

Kaushal Kumar (Batch - 2020)
Software Engineer
AIRBUS, Bangalore, India

“I thank my Institution and Professors for their constant encouragement and support. During my Bachelor of Engineering, they challenged and pushed me to be better and creative in my projects because of which I now have enough confidence to tackle any problem. They arranged many workshops and seminars which helped me prepare for my interviews.”

Tripti Barsaiyan (Batch - 2021)
Software Engineer
SAP, Bangalore, India

“I am proud to be a TITian, this college is one of the best, that provides quality education. The faculty here is always dedicated to help students not only in studies but also in extra-curricular activities. TIT has a long way to go but its one of the best!”

Apurbi Shreya (Batch - 2021)

What our students say...

“ 'Learn, Live and Lead' is how I would describe my experience at Technocrats Group. The college provides a holistic platform to enhance sound technical competencies along with crucial management skills to prepare its students for a challenging and rewarding professional career. Dear friends, remember that your hard work and timely taken decisions will not go to waste and you will always find opportunities in adversity. Learn constantly and despite failures, you can still be a success. ”

Parth Tiwari (Batch - 2015)
Technical Program Manager
Facebook, Menlo Park, California

“ College was an unforgettable experience for me. Competent faculty, comprehensive educational modules, interactive curriculum, hi-tech laboratories and industrial trainings, interactions with the eminent industry leaders, various interdisciplinary seminars, hands-on technical workshops enable the best learning experience for students and help them to emerge as well-groomed corporate professionals. ”

Shubham Agnihotri (Batch - 2009)
Technology Solutions Professional
Modern Workplace
Microsoft, New Delhi, India

“ I have found it really easy to adjust for living and attending this college as everyone is so friendly. The college has strong focus on academics. Major contributors to professional success of students are the endeavors of dedicated Placement Cell towards making students corporate ready through its Industry readiness program, Professional & personal grooming sessions and Leadership development series. I would recommend Technocrats Group to everyone. ”

Hello TIT Technocrats! Let the best mind innovate and you be leader in all what you do. TIT Technocrats has made a visionary investment in the future of its students with the establishment of the CodeXperience Lab. By partnering with you, we bridge the gap between the academics and the practical experience to make students industry ready.

Revon Dsilva
EVP - India Leader for
Cloud & Custom GBL

This India's 1st CodeXperience lab that TIT Technocrats created with Capgemini, is to unlock the possibilities. It is an investment in the students to prepare them through a very immersive way of teaching. They can get engaged in problem solving, in technology understanding, and more importantly, to understand the culture of the organization.

Nishant Tholiya
Senior Vice President
& Business Leader

Very impressed with the professors' academic background, number of patents, papers & participation in forums. Here the passion to make every student successful in life is unique. I am very much impressed the way TIT Technocrats has set up the overall KPIT Mobility Innovation Studio. I think it is one of its own kind Studio. Only few institutes are able to contribute and build something like this for students.

Abinash Mohapatra
Head - Campus
Recruitment & Relations

TIT Technocrats is a catalyst in the Academic Universe with an extremely focused approach to ensure that the betterment of the students is at the core of everything that they do. This looks at enabling the thought process in the students to look at the things differently.

Gaurav Ghelani
Regional Head - Academic
Interface Program

Placement team of Technocrats group has been proactive in not only training the students from the technical aspect but also grooming them in their soft skills. Training team is well aware about the industry requirements and has a dedicated team for selection of students.
