What our students say...

“ I work as a Software Engineer at Google, Hyderabad. I am really grateful for the learnings and opportunities I got from the college and faculty members during my stint here. I did not even dreamt about it. Even later for the longest time I thought that I was aiming for too big. ”

Archy Gupta

Software Engineer
Google, Hyderabad, India

“ Being a TITian, it was a very nice experience for me to explore various fields with the guidance of our supporting faculty. Training & Placement cell tries with their best efforts for the students to achieve their goals. Many events take place regularly to enhance & explore their potential focusing on overall personality development of a student. ”

Harsh Gitey

Senior Systems Engineer
Infosys, Indore, India

“ I completed my Mechanical Engineering degree from Technocrats Institute of Technology (Excellence) During my time at the college, I received tremendous support from the department in launching and leading a team dedicated to vehicle and aerospace modeling. Our team competed at the national level, securing positions. My experience with these projects provided me with a deep understanding of the industry's current skill set requirements. Today, I am applying this knowledge in my role as a Manufacturing Engineer at Boeing. ”

Damini Dubey

Manufacturing Engineer

TIT - An Autonomous Institute by UGC, Govt. of India as per Clause 7.4

What our students say...

“'Learn, Live and Lead' is how I would describe my experience at Technocrats Group. The college provides a holistic platform to enhance sound technical competencies along with crucial management skills to prepare its students for a challenging and rewarding professional career. Dear friends, remember that your hard work and timely taken decisions will not go to waste and you will always find opportunities in adversity. Learn constantly and despite failures, you can still be a success.”

Parth Tiwari

Technical Program Manager
Facebook, Menlo Park, California

Hello TIT Technocrats! Let the best mind innovate and you be leader in all what you do. TIT Technocrats has made a visionary investment in the future of its students with the establishment of the CodeXperience Lab. By partnering with you, we bridge the gap between the academics and the practical experience to make students industry ready.

Revon Dsilva
EVP - India Leader for
Cloud & Custom GBL

This India's 1st CodeXperience lab that TIT Technocrats created with Capgemini, is to unlock the possibilities. It is an investment in the students to prepare them through a very immersive way of teaching. They can get engaged in problem solving, in technology understanding, and more importantly, to understand the culture of the organization.

Nishant Tholiya
Senior Vice President
& Business Leader

Very impressed with the professors' academic background, number of patents, papers & participation in forums. Here the passion to make every student successful in life is unique. I am very much impressed the way TIT Technocrats has set up the overall KPIT Mobility Innovation Studio. I think it is one of its own kind Studio. Only few institutes are able to contribute and build something like this for students.

Abinash Mohapatra
Head - Campus
Recruitment & Relations

TIT Technocrats is a catalyst in the Academic Universe with an extremely focused approach to ensure that the betterment of the students is at the core of everything that they do. This looks at enabling the thought process in the students to look at the things differently.

Gaurav Ghelani
Regional Head - Academic
Interface Program

Placement team of Technocrats group has been proactive in not only training the students from the technical aspect but also grooming them in their soft skills. Training team is well aware about the industry requirements and has a dedicated team for selection of students.
